

Research Professional

User Guide

Introduction

This guide provides all of the information you need to take your first steps with ***Research Professional**. A few of the features described are only available at institutions with particular levels of subscription. For information on exactly what your institution's subscription covers, contact your institutional administrator, or email us at clientservices@researchresearch.com.

Accessing the site

When you access researchprofessional.com, you will either be asked to log in, or if you are using a computer located at a subscribing institution, given Guest Access:

- **Log in:** If you already have an account, enter your username and password. This will appear when using a computer off campus.
- **Guest Access:** You will be taken directly to the homepage. When accessing the site using campus access you will be able to browse the content, but will be prompted to log in if attempting to save your work or access personalised information.

When using Guest Access, you also have the option to:

- **Register:** You can create a personal account using the 'Register' button shown at the top of the page.

Log in with Institutional details

If your institution's name appears in the dropdown list on the ***Research Professional** Log in page, it means you are able to access the site using your institutional log in details.

- **To log in:**
 1. Select your institution in the drop-down list and click **Log in**
 2. You will be redirected to your Institutions sign-in page. Enter your details as you normally would.
 3. You will either be taken straight into your ***Research Professional** account or taken to the Link Accounts page. From this page you have three options:
 - Create new account:* If you don't have a ***Research Professional** account you can select this option and follow the instructions to create one.
 - Link to existing account:* If you already have an account, select this option to link it with your university log in details. You can also reset your password from this page.
 - Continue as a guest:* Select this option if you want to view the site as a Guest user (functionality limited as with Campus Access above).

The Home Page

On the Home Page, you will find:

- My Profile, giving links to your saved resources
- The funding quick search box
- A selection of top news stories
- The Our institution section, displaying shared resources created by your institutional administrators

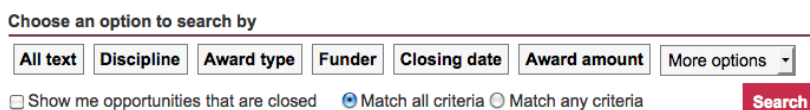

Funding

To access the funding opportunities database, click Funding in the navigation bar. There are two ways to search the database for funding opportunities:

1. **Simple Search:** Type freely into the search box. You can search for the text you entered, or select from a list of discipline areas, funders and award types offered by the auto-suggester

2. **Advanced Search:** This allows you to use a wide variety of criteria to build complex searches. Select the criteria you want by clicking on the buttons shown below

Viewing your results

Your results contain a summary of each funding opportunity, displaying the closing date, opportunity title, funder and maximum award amount (if available).

You can sort your results by using the toolbar

To view further information about an opportunity click on its title. You will see a full description of the opportunity, with contact details for the funder and links to the funder's website. Use the back button in your browser to return to your search results.

Saving your results

1. **To save a search:** Above the search box you will see the **Save** button, click on this to save your search criteria.
2. **To bookmark a funding opportunity:** Select one or more funding opportunities from your results using the tick box, then click the **Bookmark** button, which can be found above the search results.
3. **To Express Interest in a funding opportunity:** When you are looking at a funding opportunity, on the right hand side you should see the **Express Interest** button. Clicking this will register your interest in the opportunity and is visible to other users at your institution. Your administrators will also be notified. (Networked subscription only).

You can view your saved searches and bookmarks on the right hand side of the page.

Creating an opportunities calendar

If your institution has a Networked level subscription to ***Research Professional**, you can view the results of your funding searches in an online calendar.

After building a search, open the Actions menu next to the Save button, and select Calendar. Your calendar will open in a new tab.

Funding Insight

If your institution has a subscription to Funding Insight, you will see extra information available when you click the Funding button in the navigation bar. This includes:

- **The funding hubs:** You will see headings for the major research disciplines above the search bar. Each one has its own page dedicated to that area, displaying breaking news, new funding opportunities and details on the major funders.
- **Know how:** Guidance from leading experts on everything involved in making winning proposals.
- **Top funders:** Pages pulling together information taken from around the site on the most prominent funding bodies.

Awards

You will have access to the Awards section. Here you can search see details of past awards from a number of funders. For details of the funders currently covered in the Awards section, please see our help website.

Search for the awards you are interested in using any combination of the listed criteria: *Project title, PI name, Award year, Funder, Host institution, Reference ID and Award value.*

Viewing your results

Your results list will show the title of each funded project, the name of the principle investigator, the funded institution, the funder and the value of the award.

You can sort your results by using the toolbar

Sort Results per page

To view further information, click on the project title. You will be able to view additional details on the award itself. Additionally, if the opportunity that funded the project is still available, you can view its entry in ***Research Professional** by clicking on View the funding opportunity.

News

In this section you will find detailed coverage of research policy and practice news from around the world.

Viewing the news

The news is organised under a number of topic headings, each with a selection of sub-topics underneath. Use the navigation towards the top of the page to select the topic you wish to view

Receiving News alerts

You can receive email updates on recent news articles within your areas of interest. To start receiving news alerts, navigate to a topic page that interests you, and click the **Email me updates** button. You can choose to receive updates on multiple topics.

Searching the news archive

If you would like to search through our archived news stories, click the Advanced Articles Search option in the news navigation. The advanced news search works in the same way as the advanced funding search, described earlier.

Choose an option to search by

All text	Publication	Section	Publication date

Our Institution

Administrators at your institution can create shared resources for you to access (Saved searches and bookmarks).

To view this section click on Our institution in the navigation bar. You will see your administrators' and editors' names at the top of the page. Underneath you will see the sections named Funding resources and News resources.

To view a shared resource, click on its title. You can save a shared resource by using the **Save** or **Bookmark** buttons.

Once you have clicked on the resource's title to view results, you can edit the shared resources by clicking on the padlock  symbol.

Your administrator may have set up additional workgroups. You can view these on the right hand side under the Our hierarchy heading. Each can have its own collection of resources.

Workgroup membership

You can edit your Workgroup membership. Joining a Workgroup means you will be listed as a member of the workgroup, and may be emailed funding opportunities and news items selected by that Workgroup's administrators. To join, click on the **Join this group** button. To leave, click on the **Leave this group** button.

Please note: When joining a Workgroup you may be automatically signed up to receive alerts for members of that group. Any alerts currently switched on will be detailed in the Workgroup under the heading *Join this group to receive these funding emails*

Your Profile

Click on your name in the top right hand corner of the page. Here you will be able to:

- **Edit Profile** You can change your username/password, add a personal email address and update any contact details.
- **Email Alerts** You can edit the searches contributing to your weekly email alerts by clicking Email Alerts on the top right of the page. Here you will see all personal alerts and alerts from publications. Check the boxes of the items you want to receive as an email alert. Your changes will be saved automatically.
- **Articles: saved searches and bookmarks** and **Funding: saved searches and bookmarks** You can access your personalised article or funding searches and bookmarks from here.
