Short Bio

I am Associate Professor of Innovation Management for the Department of Management and Quantitative Studies at the University Parthenope of Naples (Italy). I earned my doctorate in “Network Economics and Knowledge Management” at Foundation SSAV (Ca' Foscari University), Venice (Italy). Since 2017, I am qualified as Full Professor in Management by the Italian Ministry of Education, Universities and Research (MIUR).

I have been Visiting professor/researcher over the last ten years at the St. John's University (New York, USA) in 2008, Università di Flensburg (Germany) in 2013, University of Castilla-La Mancha (Spain) in 2016 and IESEG School of Management (France). I served as Guest Editor in leading academic and professional management journals including Production, Planning and Control (Impact Factor 2016: 2.369) and Journal of Intellectual Capital and member of the editorial boards of International Journal of Social Ecology and Sustainable Development, Journal of Organizational Change Management, Journal of Innovation Economics & Management, Management Decision, Journal of Intellectual Capital, Leadership in Health Services. Moreover, I am member of scientific academies or societies around the world such as ISPIM (International Society for Professional Innovation Management) and IACCM (International Association of Cross-Cultural Competence and Management).
