 - Course of "Spatial Statistics for Economics", 6 ufc, Faculty of Economics (Degree in Statistics and Informatics for Business Administration), University of Naples "Parthenope", A.Y.. 2007/2008, 2008/2009
 - Course of "Data Mining and Business Statistics", 3 ufc, Faculty of Economics (Degree in Statistics and Informatics for Business Administration), University of Naples "Parthenope", A.Y. 2006/2007
 - Assistant Professor for the Courses of "Statistics", "Data collection", "Survey design and Data quality", Faculty of Economics, University of Naples "Parthenope", since 2005
 - Assistant Professor for the Course of "Statistical Models for the Analysis and Evaluation of Educational Process", Faculty of Educational Science, University of Naples "Suor Orsola Benincasa", 2004/2005, 2007/2008, 2008/2009, 2009/2010

**COURSES FOR
PH.D. STUDENTS**

- Course of "Linear Correlation and OLS Regression", Doctorate in "Entrepreneurship and Innovation" (XXXIV, XXXV, XXXVI, XXXVII cycle), University of Naples "Parthenope" and University of Campania "Vanvitelli", A.Y. 2018/2019, 2019/2020, 2020/2021, 2021/2022
- Course of "Regression for Discrete Outcomes", Doctorate in "Entrepreneurship and Innovation" (XXXIII, XXXIV, XXXV cycle), University of Naples "Parthenope" and University of Campania "Vanvitelli", A.Y. 2018/2019, 2019/2020
- Course of "Sample Surveys: Principles, Methods and Applications", Doctorate in "Economics, Statistics and Sustainability" (XXXI, XXXII, XXXIII, XXXIV, XXXV, XXXVI cycle), University of Naples "Parthenope", A.Y. 2015/2016, 2016/2017, 2017/2018, 2018/2019, 2019/2020, 2020/2021, 2021/2022
- Course on "Estimating poverty and living conditions at a sub-national

level: A multidimensional and fuzzy analysis through small area estimation models”, Doctorate in “Economics, Statistics and Sustainability” (XXX cycle), University of Naples “Parthenope”, March 2015

- Course of “Advanced Probability and Statistical Inference”, Doctorate in “Quantitative Economics and Euro-languages for Wellbeing Sustainability”, University of Naples “Parthenope”, A.Y. 2013/2014
- Course of “Spatial Statistics for Economics”, Doctorate in “Statistics for Economics”, A.Y. 2007/2008

OTHER TEACHING (HIGH EDUCATION AND MASTER)

- Course of Statistics in the framework of the training project for Technical Higher Education Training courses (IFTS) “Social Media Manager”, Consorzio Ro.Ma., filed office in Casoria, Project POR Campania FSE 2014/2020, years 2019, 2020, 2022
- Training activities on the topic “Statistical methods for business location and customers’ analysis” in the framework of the Contamination Lab Project (CLab), I edition, Department of Economic and Legal Studies, University of Naples “Parthenope”, September 2018
- Course of “Statistical methods for Tourism” and “Statistics for Tourism”, module “Global Scenario”, First level master in “Tourism & Hospitality Management”, IV edition (March 2018), V edition (April 2019), VI edition (September 2020), VII edition (December 2021)
- Course of “Basic statistics” and “Statistics with the software R” in the framework of the mentoring and training programme “Young Talent in Action 2017”, carried out by Manpower Group in collaboration with Tree s.r.l., University of Naples “Federico II”, May 2017
- Course of “Statistical methods for Tourism” and “Composite indicators for tourism”, module “Global Scenario”, First level master in “Tourism & Hospitality Management”, II edition (March-April 2016), III edition (March 2017)
- Piano Lauree Scientifiche in “Statistics” – Laboratory of Statistics with the liceo classico scientifico “Vittorio Imbriani” (Pomigliano d’Arco) – s.y. 2017/2018, 2019/2020, 2020/2021, 2021/2022
- Module of “Statistics” in the framework of the PLS Project – Piano Lauree Scientifiche in “Statistics”, Teaching training, University of Naples “Parthenope”, May 2016
- Course of “Advanced Statistics for Logistics and Transports”, Advanced training courses in “Integrated logistics manager”, professional and scientific expertise in the framework of Mar.Te. Project, Novembre 2015 (SudGest)
- Course of “Modeling and Simulation in Logistics”, Advanced training courses in “Integrated logistics manager”, professional and scientific expertise in the framework of Mar.Te. Project, November 2015 (SudGest)
- Course of “Quantitative Analysis for the Measurement of the Sustainable Development”, Second level inter-university master in “Sustainable Competitive Development and Corporate Responsibility”, May – July 2014

RESEARCH AND TEACHING FELLOW

- Visiting Researcher at Tarki Social Research Institute, Budapest (Hungary) in the framework of InGRID (Inclusive Growth Research Infrastructure Diffusion) Project transnational visiting grant, European Commission, September 2014
- Visiting Professor at University of Rijeka (Croatia), course of “Spatial statistics and spatial econometrics for tourism measurement” to researchers and Ph.D. students in the framework of the project “Teaching in the Lifelong Learning Programme”, Erasmus STA – Teachers’ Mobility, University of Tourism and Hospitality Management, Rijeka (Croatia), June – July 2014
- Visiting Professor at University for Business and Technology (UBT), Prishtine (Kosovo) in collaboration with Danube University Krems (DUK), Vienna (Austria), course of “Applied Business Statistics”, Master in Management and Business Administration (MBA), February 2013
